JULY 2020 · STORIES OF OLD GLORY

Kicking Off the Season With Our First Outdoor Concerts

Happy Independence Day

The Fourth of July — also known as Independence Day — has been a federal holiday in the United States since 1941, but the tradition of Independence Day celebrations goes back to the 18th century and the American Revolution. On July 2, 1776, the Continental Congress voted in favor of independence, and two days later, delegates from the 13 colonies adopted the Declaration of Independence, a historic document drafted by Thomas Jefferson. From 1776 to the present day, July 4 has been celebrated as the birth of American independence, with festivities ranging from fireworks, parades and concerts to more casual family gatherings and barbecues. The Fourth of July 2020 is on Saturday, July 4.

Materials:
